### **Seasonal Program - Back to School Bash: August**

We need the help of many volunteers to host our epic party to kick off the beginning of the school year!

### **Seasonal Program - Summer Food Box Distribution: June and July**

Volunteers help us run our drive-thru style distribution for families with children who need a little extra food support during summer months. The July distribution includes a backpack and school supplies giveaway!

### **Seasonal Program - Hope for the Holidays Food Box Distribution: November and December**

Volunteers help us run our drive-thru style distribution for families registered for a free Thanksgiving and Christmas meal box.

### **Seasonal Program - Be A Light Marketplace: December**

Get in the holiday mood while blessing families in need this holiday season! The Be a Light Marketplace is a unique experience for low-income families to choose free gifts that have been donated to the ministry.

### **Food Pantry: Wed-Fri 8:30am-11am**

Packing food boxes, taking boxes outside to recipients, stocking pantry shelves, and unloading donation trucks as needed.

### **Pantry Truck Unloading: Tues/Thurs 11:00am-12:30pm**

When grocery stores donate to us, they go big. We bring in the food on a truck and always need extra hands to unload and stock the pantry!

### **Our Daily Bread (Melting Pot): Mon-Thurs 10:45am-11:45am**

Serving lunch in front of our building to neighbors in need, many of whom are homeless. Volunteers help hand out bagged lunches.

**Thrift Store: Mon-Sat 10-5pm**

Sorting donations, stocking shelves, ringing up customers, carrying in donations as they arrive. The possibilities are endless!

**Group Projects: Various Availability**

We can host a group project in a variety of departments and can work around your schedule. On the volunteer application, select that you are signing up for a group, and then you can enter all the details for an ideal service experience! The volunteer coordinator will reach out to schedule the project.
